

GRADUATION REQUIREMENTS & CEGEP PREREQUISITES

All Cégep programs require a Secondary School Diploma (SSD), which is granted with a minimum of **54 credits (20 of these from Sec. 5)**, and which must include Sec. 5 English, French, & Phys. Ed. OR ERC; AND Sec. 4 Math, Science, History, & Art.

Certain Cégep programs require specific additional courses. Prerequisite courses that were not taken in High School MAY be taken in Cégep.

Please Note: Listed below are Cégep programs that have additional High School prerequisites. Verify requirements on the Cégep websites or Pygma.ca as these may be subject to change.
